

Since 1968 K&L Supply Co., Inc. has been the Powersport Industry's prime source for Hard Parts, Tools, and Shop Equipment. We are proud to introduce the following New Product.

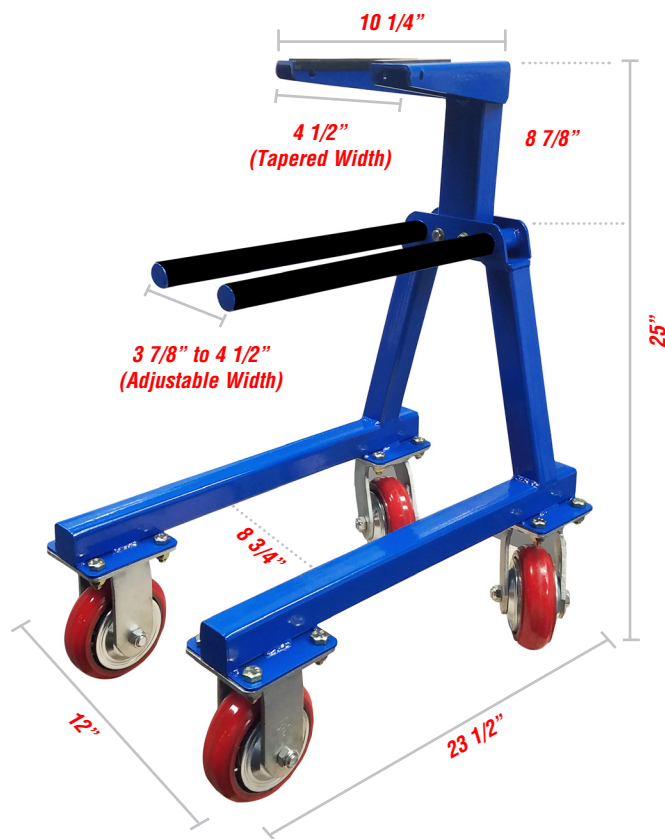

NEW K&L LOWER UNIT DOLLY

The K&L Lower Unit Dolly is the ultimate tool for easily transporting lower units and single outdrives around a shop. K&L's patented proprietary design allows the dolly to be adjusted to fit every lower unit, single outdrive and small controlling motor on the market. The Lower Unit Dolly also features rubber protectors to prevent marring and locking casters to ensure safety and stability.

- Fits all lower units, single outdrives & small trolling motors
- Easily transport units around a shop
- Rubber protectors prevent marring
- Front swivel castors for 360° rotation
