MC655R HYDRAULIC LIFT

HEAVY-DUTY LIFTING FOR PROFESSIONAL SHOPS

The MC655R delivers the strength, working height, and control needed for demanding motorcycle and powersports service. Its integrated hydraulic system keeps the work area organized, while a handheld remote and automatic locking system provide convenient, controlled operation.

2,000 LB

MAXIMUM CAPACITY

48 IN.

MAXIMUM RAISED HEIGHT

110V HYDRAULIC

BUILT-IN PUMP

**BUILT FOR
PROFESSIONAL
SERVICE**

35-6517

01

POWER BUILT IN

Frame-mounted hydraulic pump eliminates the need for a separate pump stand.

02

CONTROL AT HAND

Handheld remote provides convenient lift operation from the work area.

03

SECURE WORKING HEIGHT

Five-position automatic locking system provides secure support.

04

EXPAND THE PLATFORM

Optional Fastmount side panels accommodate wider vehicles.

**FRONT & REAR DROP PANELS
ACCESS FOR SERVICE WORK.**

**5-POSITION AUTOMATIC LOCKING
SYSTEM**

With a 2,000 lb maximum capacity and a 48 in. maximum raised height, the MC655R provides the strength and working range required for demanding motorcycle and powersports service. The built-in 110V hydraulic pump eliminates the need for a separate pump stand and excess hose, helping maintain a cleaner work area. A handheld remote provides convenient control, while front and rear drop panels, an included loading ramp, and a five-position automatic locking system add versatility throughout the workday.

MC655R HEAVY DUTY HYDRAULIC LIFT

PROFESSIONAL MOTORCYCLE &
POWERSPORTS LIFTING

MOTORCYCLE SERVICE EQUIPMENT

PRODUCT SHEET • SKU 35-6517

SIX-PIECE SIDE PANEL KIT

Optional accessory. Sold separately.

DESIGNED AROUND THE WORK.

The MC655R combines heavy-duty construction with practical features designed to make professional service more efficient. Its integrated hydraulic system, accessible deck, and expandable platform create a versatile workstation for a range of powersports vehicles.

CLEARER SERVICE BAYS

The frame-mounted pump reduces excess hose and eliminates the need for a separate pump stand.

FRONT & REAR ACCESS

Drop panels provide additional access during wheel and service work.

AUTOMATIC LOCKING

Five locking positions provide secure support at different working heights.

LOADING RAMP INCLUDED

Provides convenient vehicle loading directly onto the lift platform.

FASTMOUNT EXPANSION

Optional side panels increase the platform width for larger vehicles.

CE CERTIFIED

Designed to meet applicable CE product requirements.
