GOODRIDGE BRAKE LINES & FITTINGS

With over 30 years experience in motorsports at all levels, Goodridge has firmly established themselves as the leaders in brakeline technology. Top AMA and WERA teams rely on Goodridge products, and now so can you. Stopping distances from 100 mph can be reduced in excess of 20 feet, allowing you to brake later and accelerate sooner. Goodridge brakelines pass a 9-point testing procedure before being shipped, so you are assured of receiving the highest quality product available.
